LEGAL EXPERIENCE

I am a trial lawyer. I have had jury trials in a wide variety of cases including criminal defense, real estate, securities, construction, and personal injury. For approximately 25 years I limited my practice to personal injury and wrongful death litigation. Half of my time was spent on plaintiff=s cases and half doing insurance defense work. In 2005, I ceased my litigation practice and since then have limited my practice to private mediations and arbitrations of personal injury and wrongful death cases and have conducted over 3,000.
